What I See

The diagram is a large rectangular frame containing several sub-sections. At the top center is a rectangular box labeled "What I See". Below this box, two diagonal lines extend downwards and outwards to the left and right sides of the frame, meeting the corners. The area on the left is labeled "What I Think" and the area on the right is labeled "What I Wonder". In the center, where the diagonal lines meet, is a smaller rectangular box. A vertical line extends downwards from the bottom center of this central box to the bottom edge of the main frame.
