What I See

The graphic organizer is a large rectangle divided into four main sections. At the top is a wide horizontal section labeled "What I See". Below this, two diagonal lines slope downwards from the left and right edges towards a central horizontal line. The area on the left is labeled "What I Think" and the area on the right is labeled "What I Wonder". From the center of this horizontal line, a vertical line extends downwards to the bottom edge of the large rectangle. This vertical line is connected to a smaller, empty rectangular box that is centered horizontally and sits above the bottom edge of the large rectangle.
