

proAction

Environment Module Webinar

Hosted by Alberta Milk and
Alberta Agriculture and Forestry

Tuesday March 16, 2021
10:00 am to 12:00 pm

Join us for an information and training session on the new proAction Environment Module, which is included in validations starting September 2021. Speakers will cover:

- a. Each module question and requirements
- b. What validators will look for on farm
- c. Connection between proAction requirements and provincial regulations
- d. How to complete requirements

HOW TO WATCH

- a. Join us for the live event via Zoom at 10:00 am, we will open the event beforehand.
- b. Before the event, make sure you have downloaded Zoom to your computer or mobile device for the best experience.
- c. Can't download? Don't worry, you can participate online by following the link you receive after registering.
- d. No internet? Don't worry, there will be a telephone number available for you to listen to the presentation.

TO REGISTER

The registration link is available on the Alberta Milk website and Member's Only page or may have been sent direct to your inbox. Having trouble registering, please contact kskolarchuk@albertamilk.com

WE WANT YOUR QUESTIONS!

Already have a question? Please send it to proAction@albertamilk.com and we will share it with the speakers to answer during their presentations. You will also be able to submit questions during the event.
