Notes: (1) Data for quota prices and quota loan prices between January 1980 and July 2010 were collected and published under a number of different policy frameworks and reporting standards, and while this data is believed to be accurate by Alberta Milk, this data is provided for information only. (2) Due to changes to the reporting of quota price data and changes to the Alberta Milk Quota Exchange in August 2010, quota price data prior to August 2010 is difficult to compare effectively to current values. (3) Some of the prices listed here were self reported to Alberta Milk or the Alberta Dairy Control Board by the transacting parties and were not independently verified by Alberta Milk or the Alberta Dairy Control Board.

If you require additional quota price information, or have any questions, please contact Alberta Milk at 1-877-361-1231.
